

## SCHOOL PROFILE

# Elvehjem Elementary

Address: 5106 Academy Dr | Phone: 608-204-1400 | E-mail: [elvehjem@madison.k12.wi.us](mailto:elvehjem@madison.k12.wi.us)

At Elvehjem, we are focused on supporting the learning of all students to reach their full potential. We are a true neighborhood school tucked away in a residential area in which our 500 students live. Our school takes pride in partnering with families and the community. We take pride in our diverse population and the many different languages and traditions that are represented at Elvehjem and celebrate all that each family and student brings to our community. The result of our collaborative work within these partnerships creates an environment that offers excellent academic experiences for every student.

## Equity Vision

All students, staff and families are engaged in learning.

## Strengths

Elvehjem's strengths start with the strong partnerships between staff, students, and families. As a community, we work together to ensure success of all students. We provide a variety of opportunities for students to engage in learning, self-exploration, creative thinking and being a contributing member of our community.

## Progress

During the 2016-17 school year, staff focused on refining lesson plans to incorporate engagement tasks and activities in order to reflect on student learning and adjust instruction. Staff also implemented a new math curriculum which resulted increased percentage of our students and our focus groups of African American students and Special Education students meeting and exceeding their growth targets.

## Area for Growth

During the 2017-18 school year, we will work to strengthen our culturally responsive practices and positive school wide climate by focusing on student engagement throughout the day. Staff will focus on building positive relationships and communities in our classrooms as well as across the school, incorporating engaging instructional strategies, teaching social emotional standards, and engaging families in learning.

## Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
