

School Profile: Elvehjem Elementary School

Introduction

Elvehjem Elementary School is a true neighborhood school tucked away in a residential area in which our 500 students live. Our school takes pride in partnering with families and the community. We take pride in our diverse population and the many different languages and traditions that are represented here at Elvehjem and celebrate all that each family/student brings to our community. The result of our collaborative work within these partnerships creates an environment that offers excellent academic experiences for every student.

Strengths

We are dedicated to meeting the needs of every student both academically and behaviorally through collaboration, data analysis and great teaching. We celebrate our students and families through activities including our Art and Culture Night, School Picnics, PTO Talent Show, Math Fest and many other activities.

Progress

Teacher teams collaboratively planned lessons for reading and writing with a narrow focus on the standards. Teams identified teaching focuses, incorporated student discussions and modeled what readers do. We celebrate the tremendous growth of our students over the past two years.

Areas for Growth

We will continue to collaboratively plan engaging lessons in reading and writing. In addition, teachers will work together to create checks for understanding so they can meet the needs of every student. We will also increase classroom engagement and build relationships with students and families.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence and community connection. Through these skills and abilities, our students will graduate college, career and community ready.

School Principal: Sarah Larson

Special Education	12%

Strategic Framework Goal #1 Milestones: On-Track to Graduate

Each bar shows the percent of students meeting the relevant metric overall and for the focus groups the school selected on their School Improvement Plan (SIP, when applicable).

PALS includes English and Espanol in Grades 1-2. MAP includes Grades 3-5. MAP Growth is based on the percent of students meeting typical Fall to Spring growth targets.

Strategic Framework Goal #2 Milestones: Challenging and Well-Rounded Education

The table below shows the percent of students meeting the relevant metric.

Participation rates are based on transcribed courses.

Strategic Framework Goal #3 Milestones: Positive Climate

The table below shows the percent of responses within each dimension and group that were positive.
