Elvehjem

MADISON METROPOLITAN
SCHOOL DISTRICT

Address: 5106 Academy Dr | Phone: 608-204-1400 | E-mail: elvehjem@madison.k12.wi.us

At Elvehjem, we are focused on supporting the learning of all students to reach their full potential. We are a true neighborhood school in which our 450 students live. Our school takes pride in partnering with families and the community. We take pride in our diverse population and the many different languages and traditions that are represented at Elvehjem and celebrate all that each family and student brings to our community. The result of our collaborative work within these partnerships creates an environment that offers excellent academic experiences for every student.

School Principal: Sarah Larson

Equity Vision

We believe we need to create learning environments that allow for building deep relationships, recognizing unique needs and talents, and providing supports for each student to successfully engage in learning to maximize their potential.

Strengths

Elvehjem's strengths start with the strong partnerships between staff, students, and families. As a community, we work together to ensure success of all students. We provide a variety of opportunities for students to engage in learning, self-exploration creative thinking and being a contributing member of our community.

Progress

Our community focused on building schoolwide relationships through a new activity we call Scholar Friends. As a staff, we began our equity journey this year using Culturally Responsive Teaching and the Brain by Zaretta Hammond.

Area for Growth

During the 2018-19 school year, we will work to strengthen student to student relationships and two way communication. We will focus on creating a culture of feedback with students, staff and families in order to reflect and adjust on learning throughout our community.

Vision Connection

Our school supports MMSD's vision that all students acquire the skills and abilities needed to be successful, including a mastery of content areas, growth mindset, self-knowledge, creativity, wellness, interpersonal skills, confidence, cultural competence, and community connection. Through these skills and abilities, our students will graduate college, career, and community ready.
